

Covid Update 3-09-22

Our office wants to ensure that when you receive care here that you are safe and comfortable.

We follow the recommendations of the US Centers for Disease Control and Prevention (CDC), Ohio Department of Health.

We STILL require all individuals entering our office to wear a face mask and have it on your face properly covering your nose and mouth. We are trying to minimize the spread of Covid 19 to patients and staff. We will not provide them to you.

We ask that you ensure proper social distancing in our waiting room.

A partner, spouse, or parent will now be permitted to come to appointments. AGAIN, YOU MUST WEAR A MASK!

CHILDREN are still not permitted.

We are happy to answer any questions you may have about keeping you and every patient safe in our practice. Our office phone is 330-452-9460.
